This branch of the so-called Harper family is of Dutch ancestry. The head of the family was Adam. His children were Adam, Jacob, Nicholas, Philip, Eve Elizabeth and Mary. One of the four brothers was born on the ocean.

These articles on the Harper family start with the line of Jacob and will be followed by others as and when the material is assembled.

Jacob 2 (Adam 1) b abroad about 1745 d Pendleton Co., Va. 2 Nov 1826 intestate. His consort's given name was Marget, but her maiden name is not known to a certainty. A few of the Pendleton county line of Harpers' say her name was "Simmons"; others of the Randolph county line say her name was "Hamon" of Ohio; others "Harmon". Adam Harness Harper 5 (Sylvanus 4, Nicholas 3, Jacob 2, Adam 1) of Tucker Co. WVa, now deceased, told me it was a tradition in their family that Jacob was married in the old country. His children lived principally in Pendleton, Randolph, and Tucker counties of West Va. Jacob's signature is shown as follows:—see conveyance to James Patterson March 3, 1794 Deed Book 1 page 347, Pendleton Co., Va (WVa) Court records.

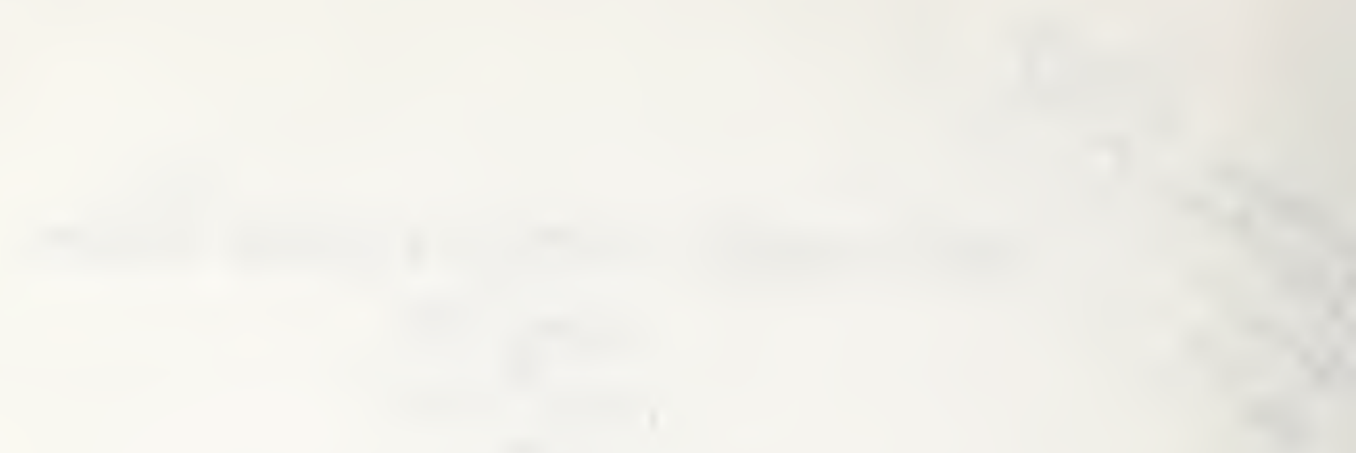

Jacob Gaibus

The children of Jacob 2 (Adam 1) were:

Copy of letter from Jacob 4 (Henry 3, Jacob 2, Adam 1) to his sister Elizabeth (Harper) Morrall.

DeKalb County, Mo.
Nov 10, 1866

Dear Friends

I received your kind letter on yesterday dated Oct 2d it being directed to Gallatin 15 miles distant which accounts its delay.

I truly glad to hear from you and family as it has been a long time since I had a letter from you or any one from Va.

I had heard of Mothers Death some time ago. She lived to an old age, but had to die and we too must follow soon or later.

I am enjoying good health and we are all well. Adam's widow Sally is still living with me. She did not get to go to Texas as she expected this but intend as soon as she can. Henry is also living with me.

I am living along as best as I can. and it is a poor life. My last five years are years of sorrow and trouble and I can not say what I will do it is more than likely that I break up house which I do not want to do but circumstances may compell me and then I shall leave this county, the reason for this I may tell some other time.

Sister Eve and her son-in-law came on here this fall and one of them is still living about a mile from here but they do not visit us they all stopped for some time one mile from here but Sister did not come to me I went to see her twice and I was received with such coldness that I went no more everyone of them seemed to be mad and some of the women did hard speak to me and I care as little about them as they do about me I think they have showed themselves completely, and the only reason for all this when Isom came here last year with family and another man and woman he claimed that when here in the Summer with his mother that he had made a bargain with me that I was to turn Sally and her children off and that they were all to live with me and I was to support them and he further sayed that he could prove it by his mother. I told him that it was false. They stay about two weeks he done many other things that I will mention but they were all

Gentlemen and ladies and done nothing when they left here in the summer we did not think of them coming here.

Eve and two of her sons-in-laws and the intende one have settled in the Town of Albany, Gentry County which is about 30 miles from Isom live one and half miles from here but wont speak me, if I had given Isom my farm which is worth about \$12,000 it would have been all right but I suppose the rest of them would have wanted the stock. I treated them as well as I could but I think they acted as mean as they could.

Our crops of corn are short other crops good. Health good.

The Election is past and I hear of no difficulty, in many places there was great injustice done in Regestering the Rad had it all in their own hands and carried the Elections.

I shall be glad to see you all but it may be that I will never see any of you for if I break up housekeeping I shall go West. I have accumulated a good deal of property and built a good house and have it finished and furnished a good farm and well improved. I have worked steady and often hard and have plenty but I am as one having no home and often have to bear many things.

H. Hart and family were here in October. Stayed 10 days and got a load of apples, they were well and say that they are getting very well and well satisfied.

So with this badly written I will close for I have not wrote this for 2 years, I remaining your True friend.
